***** PLEASE NOTE**

This year we will be using a new interactive, individualised spelling programme for 5th and 6th Class pupils called **Spellings for Me**. The workbook costs €9.50 which is similar in price to the traditional spelling workbooks they would have used in previous years. The price, however, includes access to each pupil's online profile for the academic year. As the workbook can only be purchased through the school, for your convenience we have added this amount onto our annual Book Rental Fee for 5th and 6th Class pupils. The books will be available for use in class from September.
