Notice for Parish Families with Sunday Club Children

We want to send our warmest greetings to all Parish families and in particular to our Sunday Club members

We miss you all and hope that you are all happy, safe and well.

We know that you are very busy keeping up with your schoolwork, helping out at home and hopefully getting some time to enjoy the beautiful weather by playing outdoors, even if that means staying in your own back garden or closer to home than usual. Perhaps you are using this time at home to learn something new or practice your art and craft skills. Perhaps you have been baking or helping prepare dinner. Hopefully you have found the time to look at your favourite book, play a new computer game or spend extra time playing with your pet.

The important thing to remember is that even though there are times when you might be bored, irritated by your brother or sister, missing your friends or even wishing you were in school – these things will all happen again. We just have to be very patient and remember that all of this is part of a plan, bigger than anything we can understand. God wants what is best for each and every one of us and, even if it doesn't always seem like this is the best time for us, we have to trust him.

Our Diocese has opened a new Facebook page with lots of fun resources, stories and short films. Perhaps your Mum, Dad or older brother or sister could help you have a look? It can be found at the following link:

We look forward to seeing you all back at Sunday Club as soon as it is safe for us to do so. We can't wait to hear all your news. In the meantime, know that we are thinking of you and praying for you. Take care of yourselves and keep washing those hands!

Best wishes,

Janine, Cathy, Andrea, Sarah & Nyla
